BROWNFIELD CLEANUP PROGRAM (BCP)

NEW YORK Department of BROWNFIELD CLEANUP PROGRAM (BCP) STATE OF Environmental APPLICATION TO AMEND BROWNFIELD CLEANUP Conservation AGREEMENT AND AMENDMENT	
PART I. BROWNFIELD CLEANUP AGREEMENT AMENDMENT APPLICATION	
1. Check the appropriate box(es) below based on the nature of the amendment modification requested	:
Amendment to modify the existing BCA: [check one or more boxes below]	
 Add applicant(s) Substitute applicant(s) Remove applicant(s) Change in Name of applicant(s) 	
Amendment to reflect a transfer of title to all or part of the brownfield site	
 1a. A copy of the recorded deed must be provided. Is this attached? ☐ Yes ☐ No 1b. □Change in ownership □ Additional owner (such as a beneficial owner) 	
If yes, pursuant to 6 NYCRR Part 375-1.11(d), a Change of Use form should have been previously submitted. If not, please submit this form with this Amendment. See http://www.dec.ny.gov/chemical/76250.html	
Amendment to modify description of the property(ies) listed in the existing Brownfield Cleanup Agreement [<i>Complete Sections I and V below and Part II</i>]	
Amendment to Expand or Reduce property boundaries of the property(ies) listed in the existing Brownfield Cleanup Agreement [<i>Complete Section I and V below and Part II</i>]	
Sites in Bronx, Kings, New York, Queens, or Richmond counties ONLY: Amendment to request determination that the site is eligible for the tangible property credit component of the brownfield redevelopment tax credit. Please answer questions on the supplement at the end of the form.	
Other (explain in detail below)	
2. Required: Please provide a brief narrative on the nature of the amendment:	
This amendment is being submitted to provide the required proof that the Site will be developed into an affordable housing project. See the legally binding Restrictive Covenant, which has been executed by the New York City Planning Commission ("CPC") attached as attached as Exhibit A and a CPC approval letter dated December 10, 2021 attached as Exhibit B.	
In addition, the size of the Site is being slightly deceased. At the time of the application, the Volunteer intended to move the generators located in and subject to the Generator Easement, which was disclosed in Exhibit L of the BCP application. However, due to the extensive cost and disruption that would be associated with moving the generators that serve the adjacent One Hanson Place building, the Volunteer has elected not to move the generators and therefore has elected to remove this small 0.015 acre area from the BCP Site. The acreage of the Site will now be 0.273 acres. See revised Site boundary map and metes and bounds in Exhibits C and D.	

Please refer to the attached instructions for guidance on filling out this application

Submission of a full BCP application will be required should this application be determined to be a major amendment. If the amendment involves a non-insignificant change in acreage, applicants are encouraged to consult with the DEC project team prior to submitting this application.

Rider to BCA Amendment # 1 to Document a Tangible Property Tax Credit Determination

Site Name: 130 Saint Felix Street Site Site Number: C224306

1- The Department has determined that the Site is eligible for tangible property tax credits pursuant to ECL § 27-1407(1-a) because the Site is located in a City having a population of one million or more and:

At least half of the site area is located in an environmental zone as defined in section twenty-one of the tax law

The property is upside down, as defined by ECL 27-1405 (31)

The property is underutilized, as defined by 375-3.2(I).

X The project is an affordable housing project, as defined by 375-3.2(a).

2- The Site is located in a City having a population of one million or more and the Applicant:

Has not requested a determination that the Site is eligible for tangible property tax credits. It is therefore presumed that the Site is not eligible for tangible property tax credits. In accordance with ECL § 27-1407(1-a), the Applicant may request an eligibility determination for tangible property tax credits at any time from application until the site receives a certificate of completion except for sites seeking eligibility under the underutilized category.

Requested a determination that the Site is eligible for tangible property tax credits and pursuant to ECL § 27-1407(1-a), the Department has determined that the Site is not eligible for tangible property tax credits because the Applicant has not submitted documentation sufficient to demonstrate that at least one of the following conditions exists: at least half of the site area is located in an environmental zone as defined in section twenty-one of the tax law, the property is upside down, the property is underutilized, or the project is an affordable housing project. In accordance with ECL § 27-1407(1-a), the Applicant may request an eligibility determination for tangible property tax credits at any time from application until the site receives a certificate of completion except for sites seeking eligibility under the underutilized category.

3- For sites statewide, where applicable:

In accordance with ECL § 27-1407(1-a), based on data submitted with the application the Department has determined the Site is not eligible for tangible property tax credits because the contamination in ground water and/or soil vapor is solely emanating from property other than the Site.

The remedial investigation or other data generated during the remedial program the Department has identified an on-site source of contamination, which now makes this site eligible for tangible property tax credits.

The Department has determined that the Site or a portion of the Site has previously been remediated pursuant to Article 27, Title 9, 13 or 14] of the ECL, Article 12 of the Navigation Law or Article 56, Title 5 of the ECL. Therefore, in accordance with ECL § 27-1407(1-a), the Site is not eligible for tangible property tax credits.

THIS RIDER TO AN AMENDMENT TO THE BCA ESTABLISHING ELIGIBILTY FOR TANGIBLE PROPERTY TAX CREDITS IS HEREBY APPROVED, Acting by and Through the Department of Environmental Conservation as Designee of the Commissioner,
