**RE: Monthly Progress Report – September 2021
90-02 168th Street Site (C241243)
Jamaica, New York
SESI Project No. 10831**

Dear Mr. Allan:

On behalf of our Client, 90 Ninety LLC (the “Volunteer”), SESI Consulting Engineers (SESI) has prepared this Monthly Progress Report (MPR) in accordance with the requirements in the New York Department of Environmental Conservation (NYSDEC) Brownfield Cleanup Agreement (BCA) (signed June 23 2020), Appendix A, Clause XI for the above referenced Site. This MPR includes the following:

- Actions relative to the Site during the previous reporting period;
- Anticipated actions for the next reporting period;
- Approved activity modifications;
- Results of sampling and tests and other data generated in the previous reporting period, including quality assurance/quality control (QA/QC);
- Information regarding percentage of completion;
- Unresolved delays encountered or anticipated that may affect the schedule and efforts to mitigate such delays; and,
- Information regarding activities undertaken in support of the Citizen Participation Plan (CPP) during the previous reporting period and those planned for the next reporting period.

SESI performed or coordinated the performance of the activities listed below.

1. ACTIONS CONDUCTED DURING SEPTEMBER 2021

NYSDEC approval for the RIR was received on September 21, 2021.

SESI submitted the revised RAWP to the NYSDEC on September 3, 2021. The NYSDEC requested a cap area figure and cap design detail drawings be prepared and included in the RAWP. The Revised RAWP was submitted to the NYSDEC on September 17, 2021. The NYSDEC stated in an email dated September 20, 2021 that the RAWP is still under review.

2. ANTICIPATED ACTIONS FOR OCTOBER 2021

Await approval for the RAWP from the NYSDEC.

3. APPROVED ACTIVITY MODIFICATIONS

No modifications were requested during this reporting period.

4. RESULTS OF SAMPLING AND TESTS DURING SEPTEMBER 2021

No sampling or tests were conducted during the reporting period.

5. PERCENTAGE OF COMPLETION

RIR- 100% complete and approved by NYSDEC

RAWP- 100% complete and awaiting approval by the NYSDEC

6. DELAYS OR MODIFICATIONS TO THE SCHEDULE

No anticipated delays or modifications to the schedule at this time.

7. CPP ACTIVITIES

The CPP has been prepared and was submitted with the RAWP on April 4, 2021.

If you have any questions or need additional information, please feel free to call.

Sincerely,

SESI CONSULTING ENGINEERS D.P.C.
