

## **Monthly Progress Report No. 37**

990-1026 Rossville Avenue  
Staten Island, NY 10309  
Brownfield Cleanup Program Site No. C243043  
Reporting Period: March 2024

### **1. Introduction**

Langan Engineering, Environmental, Surveying, Landscape Architecture and Geology, D.P.C. (Langan) is submitting this monthly progress report on behalf of Allied Rossville LLC and in accordance with the 10 August 2020 Brownfield Cleanup Agreement (BCA). This monthly progress report summarizes work performed at 990-1026 Rossville Avenue (the "Site") for the month of March 2024.

The ±66,700-square-foot site is located at 990-1026 Rossville Avenue in Staten Island, New York and is identified as Block 7054, Lot 518 on the New York City Tax Map. The Site is bound to the north by three two-story residential buildings, to the east by Rossville Avenue followed by a two-story mixed-use residential/commercial building and a two-story residential building, to the south by Grafe Street followed by three two-story townhouse buildings associated with the Woodbrooke Estates residential community, and to the west by asphalt-paved tennis courts that are part of the Woodbrooke Estates residential community. The Site consists of a one-story shopping center that was constructed in 1990 and is currently occupied by a nail salon (formerly a dry cleaner), liquor store, beauty salon, karate studio, ice cream parlor, grocery store, restaurant, bagel shop, laundromat, pizzeria, and a vacant former restaurant. A site location map is attached as Figure 1.

### **2. Remedial Actions Relative to the Site during this Reporting Period**

Langan submitted the 19 January Remedial Action Work Plan (RAWP) Rationale letter report and NYSDEC approval letter to the repositories. Langan submitted a bid package to potential bidding contractors for the remedial action. A site walk with bidders was held on 26 March.

### **3. Actions Relative to the Site Anticipated for the Next Reporting Period**

Contractor proposals will be received and evaluated, and a contractor will be selected. A pre-construction meeting will be held this spring with NYSDEC, Langan, the Participant, and the selected contractor prior to the onset of remediation activities.

### **4. Approved Activity Modifications (changes of work scope and/or schedule)**

None

### **5. Results of Sampling, Testing and Other Relevant Data**

None

### **6. Deliverables Submitted During This Reporting Period**

None

## **7. Information Regarding Percentage of Completion**

The BCP project is about 55% complete.

## **8. Unresolved Delays Encountered or Anticipated That May Affect the Schedule and Mitigation Efforts**

None

## **9. Citizen Participation Plan Activities during This Reporting Period**

Langan submitted the RAWP Rationale letter report and NYSDEC approval letter to the repositories.

## **10. Activities Anticipated in Support of the CPP for the Next Reporting Period**

None

## **11. Miscellaneous Information**

None
