BROWNFIELD CLEANUP PROGRAM

Site Name: Niagara Transformer Corporation
Site No.: C915234
Site Address: 1755 Dale Road, Cheektowaga, NY 14225
County: Erie
Requestor: Niagara Transformer Corporation

The New York State Department of Environmental Conservation (NYSDEC) administers the Brownfield Cleanup Program (BCP) pursuant to State Environmental Conservation Law (ECL) §27-1400 et seq. The BCP was created to encourage the remediation and redevelopment of contaminated properties known as brownfields. The requestor (named above) has submitted a BCP application asking that this site be admitted into the BCP.

NYSDEC will accept public comments concerning the application. A copy of the application and other appropriate documents (application package) is available in the site document repository located at the address indicated below.

Please note that the application package includes the Remedial Investigation & Interim Remedial Measures Work Plan which describes the remedial activities to be conducted to investigate and determine the nature and extent of the contamination related to the site.

NYSDEC will review the application package and public comments received and then make a determination on the eligibility of the application.

Comments should be submitted by October 23, 2009 to:
