DAILY PROGRESS REPORT

PROJECT: Dairy Queen Grill & Chill, Cicero, New York **PAGE:** 1 of 1 **REPORT NO.:** 13019Y-03R(1)-1017
CLIENT: Operation Brain Freeze Cicero, LLC **REPRESENTATIVE:** C. Davis
DATE: 10/10/2017 **WEATHER:** Overcast **TEMPERATURE:** 64 °F

This CME Representative was on-site at the above referenced project to confirm the operation of the Chlorine Venting System. Both fans and the vacuum gauge were operational and visible pipe at the discharge point is intact, as of this time. Mr. Mark Goldberg of Operation Brain Freeze Cicero, LLC was orally informed of today's examination results.
