

# PAY YOUR DEC INVOICE ELECTRONICALLY

Now with reduced processing fees!

Please find our comprehensive ePayment User Guide at:  
<https://www.dec.ny.gov/about/61016.html>

## New ePayment Processing Fees

The ePayment service is subject to a convenience fee. This convenience fee is in addition to your invoiced fee and will appear as a separate charge on your bank or credit card statement.

**e-Check Fee:**  
\$0.20 per transaction

**Debit Card Fee:**  
1.25% of the invoice total

**Credit Card Fee:**  
2.25% of the invoice total

## Creating and Accessing Your DEC ePayment Account

### Create Your ePayment Account

Visit <https://epayfmis.dec.ny.gov> and select **Register Here**.

Enter the information of the DEC account you'd like to register, as well as valid email address.  
*If you'd like access to additional customer accounts, you will be able to request this later on.*

Follow the prompts to obtain and enter your validation code and your personal information.

You will receive an email from DEC stating your ePayment account is ready to use.  
Use the link provided in the email to access your account or visit <https://epayfmis.dec.ny.gov> to login.

### Access Your ePayment Account

Visit <https://epayfmis.dec.ny.gov> and enter your username (**your full email address**) and password.

Click **Login** to access your account. You can now view and pay your invoices electronically.

## Additional Information

### To add additional customer accounts to your existing ePayment Account:

Log into your ePayment account and select the [Add Customer Access](#) button at the top of the screen. Enter the customer number and invoice number of the account you wish to add. **This feature is unavailable for Consent Order and Major Oil Storage Facility (MOSF) customer accounts.** If you have one of these accounts, please contact [revenue@dec.ny.gov](mailto:revenue@dec.ny.gov).

### To change or reset your ePayment account password:

Prior to logging into your account, select **Login Assistance** and follow the prompts to change your password.

### For any other questions or assistance:
