

HUNT & BIRDWATCH LOCALLY

Stay close to home. Avoid high-traffic destinations.

BE SAFE

Avoid crowds at parking areas and other locations where people congregate. Recreate only with members of your immediate household. Keep a distance of **6** feet or more from others. Hunt or birdwatch only with people you've been in continuous close contact with for at least the past two weeks. Wear a mask when you cannot maintain social distancing.

STAY HOME

If you're not feeling well, stay home. Anyone **70** and older or with a compromised immune system should postpone their trip.

BE ADAPTIVE

If a location is crowded, choose a different spot or time to visit.
