

Manufacturer's Checklist – OWB Certification Applications

- Application for Certification form
(http://www.dec.ny.gov/docs/air_pdf/owbappcert.pdf).
- Four individual, color photographs of the unit tested by the independent laboratory showing the front, back and both sides of the unit.
- A copy of the operation and maintenance instructions. A copy of the Owner's Manual is sufficient.
- Copy of the final test report prepared by the testing laboratory.
- Engineering drawings and specifications. See second page of the Application for Certification form for a list of components for which engineering drawings and specifications must be supplied to the NYSDEC.
- TWO (2) paper copies of each of the above items must be submitted to the NYSDEC. One copy of the laboratory test report must be submitted in an electronic format (e.g., CD) and the other as a paper copy.
