Description of Fishery

Originating in the town of Centerville in northwestern Allegany County, Elton Creek flows northwesterly through the Villages of Elton and Delevan before joining Cattaraugus Creek in northeast Cattaraugus County. There are a total of 5.4 miles of public fishing rights easements on this stream.

Elton Creek has a reproducing population of wild brown and rainbow trout. In addition to the wild trout population, over six miles of the creek are stocked annually with 2,500 yearling brown trout and 200 two-year-old brown trout. Elton Creek is stocked from the mouth upstream to Route 16 and from Farmersville Station to Route 98 (not shown on map).

Trout Fishing Regulations

Elton Creek: Trout; open April 1 - October 15, any size, daily limit 5 per person with no more than 2 longer than 12 inches.

October 16 - March 31; catch and release only, artificial lures only.

Primary Fish Species

Brown Trout

Rainbow Trout
