Contact information for contractors who have been licensed by the Department of Environmental Conservation (DEC) to conduct mussel surveys in New York State is provided below. The DEC is providing this directory for informational purposes only, with no intended endorsement of a particular surveyor, their qualifications, or services rendered.

Additional surveyors are likely available who are not represented on this list. If hiring an individual not listed, please ensure that they meet the minimum license qualifications. Minimum qualifications can be found at [www.dec.ny.gov/permits/122781.html](http://www.dec.ny.gov/permits/122781.html)
