

Tompkins County Trout Stocking

Legend

-  Stocked Ponds and Lakes
-  Stocked Stream Section

Some landowners within a stocked section may not allow access (lands are posted against fishing), and these areas are not stocked with trout by the state. Stocked sections without Public Fishing Rights (PFR) are open to fishing by willing landowners, so respect their property, or you risk losing public access to these streams. Please view <http://www.dec.ny.gov/outdoor/44869.html> for information on streams with PFR.
