Finding the GPS Coordinates for Your Planting

- Some screens may look different on your computer based on browser and computer type.

   ![Map Screen](image1)

2. Type address into entry box on the left-hand side.

   ![Map Screen](image2)

* If you're using Maps in Lite mode, you'll see a lightning bolt in the bottom right hand corner of the page and you won't be able to switch to get your GPS coordinates. Click on the lightning bolt to turn off this feature.

3. Right-click the place or area on the map.

   ![Map Screen](image3)

4. Select What's here?

   ![Map Screen](image4)

5. At the bottom of the screen, you'll see a card with the coordinates.
