

# Giant Mountain North - Owl Head Lookout Trail

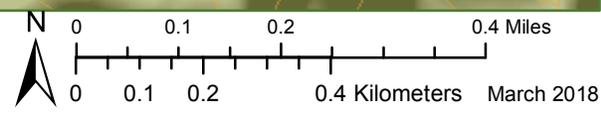

North Trail in Giant Mountain Wilderness extends 2.5 miles and ascends 1,110 feet from the trailhead on State Route 9N to a 0.1-mile spur trail that ascends another 150 feet to a 2,530-foot lookout point. The lookout provides scenic views of Hurricane Mountain, the Boquet River Valley, Lake Champlain and the surrounding valley, the Green Mountains of Vermont, and nearby Giant Mountain.
