The Department of Environmental Conservation operates the State Tree Nursery in Saratoga Springs. The nursery produces tree and shrub seedlings for conservation plantings on private and public lands using New York seed sources when available. The sale is open to New York residents and residents of bordering states.

2022 Ordering Information

See our website www.dec.ny.gov/animals/9395.html for species descriptions and availability, pictures, and order forms.

Before ordering, consider specific space requirements for each type of tree:

<table>
<thead>
<tr>
<th>Species</th>
<th>Spacing in Feet</th>
<th>Trees/Acre</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wildlife</td>
<td>6 x 6</td>
<td>1,210</td>
</tr>
<tr>
<td>Conifer</td>
<td>8 x 8</td>
<td>680</td>
</tr>
<tr>
<td>Hardwood</td>
<td>12 x 12</td>
<td>300</td>
</tr>
</tbody>
</table>

For Christmas tree planting, allow enough distance between rows to accommodate two to three feet of growth plus the width of mowing equipment.

How to Order

By Phone:

Order seedlings during the sale dates by calling 518-587-1120, Monday–Friday, 8 AM to 4 PM. This is the best way to order because operators will have the latest availability information.

Operators can answer questions or direct you to the proper office for other information. An order will be completed over the phone and sent to you via mail for your signature and payment.

By Mail:

Complete the order form on our website at: www.dec.ny.gov/animals/9395.html

Mail to:

NYSDEC Tree Nursery
2369 Route 50 S
Saratoga Springs, NY 12866-4771

Do not send payment at this time. An invoice will be sent to customers, who must sign and return it within 10 days along with a check or money order to complete the purchase unless other arrangements have been made. DO NOT SEND CASH.

SAVINGS: Order 1,000 or more seedlings of one species (if available) and receive a 10% discount for that line item.

Baby Bird Feeders
Native plants that support a large variety of insects—96% of our songbirds rely on insect larvae to feed their young

Shipping Options and Instructions

Please make shipping/pick-up arrangements when you place your order. There are three options:

1. In-person: Pick up your order at the Saratoga Tree Nursery, located just south of Saratoga Springs on Route 50, approximately 30 miles north of Albany. You will be notified by mail when your order is ready.

2. Preferred method: For a fee, seedlings are shipped by designated truckers to a single location within certain counties. Customers pick up their orders at designated locations on pre-determined dates. These dates are not set until early April. Do not choose this option if you need delivery by or on a specific date. Orders shipped this way are given preference over option #3. Orders must be placed by March 30, 2022 for this option.

3. UPS delivery: Limited to customers who do not have the “designated trucker” option, need shipment on a specific date, or who place orders after March 30, 2022. Fee per order: $5.00 plus 20% of the total bill or $20.00, whichever is higher. Minimum UPS fee is $25.

Orders placed after May 1 must be picked up at the nursery.

Mail requests are filled after January 3 in the order received. Species sell out quickly, so order early.

Shipments are sent mid-April through early May. Exact ship dates are weather dependent. Seedlings should be planted as soon as possible. Until planted, keep seedlings cool and out of direct sunlight. Don’t let roots dry out.

For technical advice only on your planting project, contact your regional forestry office (found at www.dec.ny.gov/about/558.html), or call the nursery office at 518-581-1439, Monday–Friday, 8 AM to 4 PM.
