DEPARTMENT OF ENVIRONMENTAL CONSERVATION**

In the Matter of the Alleged Violations of Article 17 of the Environmental Conservation Law of the State of New York (“ECL”) and Section 612.2 of Title 6 of the Official Compilation of Codes, Rules and Regulations of the State of New York (“6 NYCRR”),

ORDER

DEC Case No.

-by-

BRIGGS CITY REALTY CORP.,

Respondent.

On July 20, 2012, an adjudicatory hearing was convened before Richard R. Wissler, Administrative Law Judge (“ALJ”) of the Office of Hearings and Mediation Services of the New York State Department of Environmental Conservation (“Department”). The hearing addressed the allegations of Department staff that respondent Briggs City Realty Corp. violated 6 NYCRR 612.2 by failing to reregister its petroleum storage facility located at 2616 Briggs Avenue, Bronx, New York (“facility”), within 30 days of the transfer of ownership of the facility to it in calendar year 2002 .

ALJ Wissler prepared the attached hearing report, which I adopt as my decision in this matter. As set forth in the ALJ’s hearing report, respondent Briggs City Realty Corp. failed to file an answer to the complaint served by Department staff in this matter, failed to appear at a pre-hearing conference scheduled for June 14, 2012, as directed in the cover letter served with the notice of hearing and complaint, and failed to appear for the adjudicatory hearing scheduled in the matter on July 20, 2012, as directed in the notice of hearing (see Hearing Report, at 3 [Finding of Fact No. 9]).

As a consequence of respondent’s failure to answer or appear in this matter, the ALJ recommended that Department staff’s motion for default be granted (see Hearing Report, at 4), and I concur that staff is entitled to a judgment on default pursuant to 6 NYCRR 622.15. Furthermore, at the hearing Department staff presented a prima facie case on the merits, and proved its case by a preponderance of the evidence (see Hearing Report, at 4). Accordingly, staff is entitled to a judgment based on record evidence.

Department staff, in its papers, sought a penalty of ten thousand dollars (\$10,000). ECL 71-1929 provides for a penalty of up to thirty-seven thousand five hundred dollars (\$37,500) per day for each violation. I note that the violation in this matter has continued for nearly ten years (see Department Staff Exhibits C and E). Based on this record and the civil penalties imposed in similar cases, the requested penalty of ten thousand dollars (\$10,000) is authorized and appropriate.

NOW, THEREFORE, having considered this matter and being duly advised, it is **ORDERED** that:

- I. Department staff's motion for a default judgment pursuant to 6 NYCRR 622.15 is granted. By failing to answer or appear in this proceeding, respondent Briggs City Realty Corp. waived its right to be heard at the hearing.
- II. Moreover, based upon record evidence, respondent Briggs City Realty Corp. is adjudged to have violated 6 NYCRR 612.2 for failing to reregister its petroleum storage facility located at 2616 Briggs Avenue, Bronx, New York, within 30 days of the transfer of ownership of the facility to it.
- III. Within fifteen (15) days of the service of this order upon respondent Briggs City Realty Corp., respondent shall submit to the Department a petroleum bulk storage facility re-registration application, plus applicable registration fees.
- IV. Within fifteen (15) days of the service of this order upon respondent, respondent Briggs City Realty Corp. shall pay a civil penalty in the amount of ten thousand dollars (\$10,000) by certified check, cashier's check or money order made payable to the New York State Department of Environmental Conservation.
- V. The facility petroleum bulk storage re-registration application, applicable registration fees, and the penalty payment shall be sent to the following address:

Office of General Counsel
New York State Department of Environmental Conservation
625 Broadway, 14th Floor
Albany, New York 12233-1500
Attn: Brooke Turallo.
- VI. Any questions or other correspondence regarding this order shall also be addressed to Brooke Turallo at the address referenced in paragraph V of this order.

BRIGGS CITY REALTY CORP.,

Respondent.

-----X
Procedural History

Respondent Briggs City Realty Corp. was served with a notice of hearing and complaint dated May 9, 2012, alleging a violation of ECL 17-1009 and its implementing regulation, 6 NYCRR 612.2, for failure to reregister its petroleum storage facility located at 2616 Briggs Avenue, Bronx, New York 10458, within 30 days of the transfer of ownership of the facility to it. The complaint seeks an order of the Commissioner (1) finding respondent in violation of ECL 17-1009 and 6 NYCRR 612.2; (2) assessing a civil penalty in the amount of ten thousand dollars (\$10,000); (3) directing respondent to reregister its PBS facility within fifteen (15) days of the service of the Commissioner's order upon respondent; and (4) granting such other and further relief as the Commissioner may deem just and proper.

Inasmuch as respondent is an active domestic business corporation in the State of New York, service of the notice of hearing and complaint on respondent was made by serving the New York State Department of State on May 10, 2012. Respondent was also served with the notice of hearing and complaint by regular mail on May 10, 2012. Respondent failed to file an answer to the complaint and failed to appear at a pre-hearing conference scheduled for June 14, 2012, as directed in the cover letter served with the notice of hearing and complaint.

As stated in the notice of hearing, on July 20, 2012, an adjudicatory hearing was convened before Administrative Law Judge ("ALJ") Richard R. Wissler of the Department of Environmental Conservation's ("Department") Office of Hearings and Mediation Services ("OHMS") at the Department's Region 2 offices, 1 Hunter's Point Plaza, 47-40 21st Street, Long Island City, New York 11101-5407. Pursuant to an order of the Third Judicial Department, issued in accordance with its Rules at 22 NYCRR 805.5, Department staff was represented by legal intern Abby Brinkerhoff under the supervision of Scott W. Caruso, Esq., Section Chief, Spill and Bulk Storage Section, Office of General Counsel, New York State Department of Environmental Conservation,

625 Broadway, Albany, New York 12233-1500. No one appeared on behalf of respondent.

Department staff called one witness, Nicholas Lombardo, Agency Program Aide with the Petroleum Bulk Storage (PBS) Unit of the Department's Region 2 office. In all, eleven (11) exhibits were received in evidence.

Applicable Regulatory Provision

Section 612.2. Registration of Facilities

(a) Existing facilities.

(1) Within one year of the effective date of these regulations, the owner of any petroleum storage facility having a capacity of over 1,100 gallons must register the facility with the department. This shall include any out-of-service facility which has not been permanently closed.

(2) Registration must be renewed every five years from the date of the last valid registration until the department receives written notice that the facility has been permanently closed or that ownership of the facility has been transferred.

(b) Transfer of ownership. If ownership of the facility changes, the new owner must reregister the facility with the department within 30 days of ownership transfer.

(c) New facilities. The owner must register any new facility with the department before it is placed in service.

(d) Substantially modified facilities. Within 30 days prior to substantially modifying a facility, the owner must notify the department of such modification on forms supplied by the department.

Findings of Fact

1. Respondent Briggs City Realty Corp. is the owner of a petroleum storage facility having a capacity of over 1,100 gallons located at 2616 Briggs Avenue, Bronx, New York 10458 ("facility"). In particular, petroleum storage tank number 001 at the facility has a capacity of 1,500 gallons and is located aboveground. (Department Staff Exhibits I, J and K.)
2. Respondent is an active domestic business corporation in the State of New York. (Department Staff Exhibit H.)
3. Pursuant to a registration application filed by the then owner of the facility, Edward A. Pascuiti, dated September 15, 1997, the Department, on September 25, 1997, issued Petroleum Bulk Storage ("PBS") Certificate Number 2-277835,

registering the facility. This registration expired on October 2, 2002. Moreover, in bold capital letters, at the bottom of the Certificate is the following declaration: "THIS REGISTRATION CERTIFICATE IS NON-TRANSFERABLE." (Department Staff Exhibits I and J.)

4. On September 18, 2002, Edward A. Pascuiti, by bargain and sale deed with covenant against grantor's acts, transferred all right, title and interest in the facility to respondent Briggs City Realty Corp., the facility's current owner. This deed is recorded in the Office of the City Register of the City of New York, Document ID No. 2003021102183001. (Department Staff Exhibit E.)
5. Nicholas Lombardo is an employee of the Department whose duties include the care, custody, and maintenance of the petroleum storage facility records filed with the Department, which records include petroleum facility registrations filed pursuant to 6 NYCRR 612.2. (Testimony of Lombardo.)
6. On July 20, 2012, Nicholas Lombardo searched the petroleum storage facility records of the Department for any facility registration or renewal registration or any facility re-registration filed by respondent for the facility. (Testimony of Lombardo.)
7. As a result of his search, Nicholas Lombardo determined that respondent had not reregistered the facility at any time after assuming its ownership. (Testimony of Lombardo.)
8. As shown by Receipt for Service No. 201205150403 issued by the New York State Department of State, respondent was served, on May 10, 2012, pursuant to section 306 of the Business Corporation Law with a notice of hearing and complaint dated May 9, 2012, alleging a violation of ECL 17-1009 and its implementing regulation, 6 NYCRR 612.2, for failure to reregister its petroleum storage facility located at 2616 Briggs Avenue, Bronx, New York 10458, within 30 days of the transfer of ownership of the facility to it. The notice of hearing and complaint was also served on respondent by regular mail on May 10, 2012. (Department Staff Exhibits C and D.)
9. Respondent failed to file an answer to the complaint; failed to appear at a pre-hearing conference scheduled for June 14, 2012, as directed in the cover letter served with the notice of hearing and complaint; and failed to appear for the adjudicatory hearing scheduled in the matter on July 20, 2012, as directed in the notice of hearing. (Department Staff Exhibit C and Hearing Record.)

Discussion

Department staff's proof presents a prima facie case demonstrating that respondent failed to reregister its petroleum storage facility located at 2616 Briggs

Avenue, Bronx, New York 10458, within 30 days of the transfer of ownership of the facility to it, in violation of 6 NYCRR 612.2.

The record shows that respondent failed to file an answer to the complaint; failed to appear at a pre-hearing conference scheduled for June 14, 2012, as directed in the cover letter served with the notice of hearing and complaint; and failed to appear for the adjudicatory hearing scheduled in the matter on July 20, 2012, as directed in the notice of hearing. The Department is entitled to a default judgment in this matter pursuant to the provisions of 6 NYCRR 622.15.

Moreover, the proof adduced at the hearing, conducted in respondent's absence, demonstrates by a preponderance of the evidence that respondent failed to reregister its petroleum storage facility within 30 days of the transfer of ownership of the facility to it, in violation of 6 NYCRR 612.2. The Department is entitled to judgment upon the facts proven.

The violation in this matter has continued for nearly ten years. Department staff's proposed order and the \$10,000 civil penalty it seeks are consistent with the Department's penalty policy as well as applicable provisions of ECL article 71.

Recommendation

Based upon the foregoing, I recommend that the Commissioner issue an order:

1. Granting Department staff's motion for default, finding respondent in default pursuant to the provisions of 6 NYCRR 622.15;
2. Finding respondent in violation of 6 NYCRR 612.2 for failure to reregister its petroleum storage facility located at 2616 Briggs Avenue, Bronx, New York 10458, within 30 days of the transfer of ownership of the facility to it, based upon the proof adduced at the adjudicatory hearing;
3. Directing respondent to submit a re-registration application to the Department for the above facility;
4. Directing respondent to pay a civil penalty in the amount of ten thousand dollars (\$10,000); and
5. Directing such other and further relief as he may deem just and proper.
