Dear Licensed Guides and Guide Applicants:

Please take the time to read this application in its entirety. Most of the questions you may have regarding the Licensed Guide Program will be answered below.

Guide license examinations for 2019 have been scheduled for February 7, March 16 (NYSOGA Winter Meeting only), April 18, May 16, June 13, September 19 and October 24. These examinations will be held at select DEC offices with the exception of the March 16th date, which will be hosted by the New York State Outdoor Guides Association (NYSOGA) at their annual winter meeting.

This year, NYSOGA's meeting will be held March 14-17, 2019 at the White Eagle Conference Center, Hamilton, NY. Various training seminars as well as First Aid, CPR and Water Safety certification courses will be offered at this meeting. Those interested in taking the exam on March 16, must submit their application to this office by c.o.b. Wednesday, March 6. Anyone interested in attending the First Aid, CPR or Water Safety classes must register directly with NYSOGA. For more information regarding the annual meeting, contact NYSOGA at 1-866-469-7642 or visit their website at www.nysoga.org.

The minimum fee for one category is \$75 with an added fee of \$20 for each additional category. A \$25 non-refundable application fee must be submitted with your application form. This fee will be applied to the total cost of the license. The remaining license fee is due at the time of licensing. **All payments must be in the form of a personal check or money order (US currency only) made payable to NYSDEC. Cash is NOT accepted.** Per NYS Finance Law, Section 19, a \$20 dishonored check fee will be charged for returned checks.

To apply for an exam, you must submit the completed application form, required documentation requested in #6 of the application form, the completed examination location information sheet, and the \$25 non-refundable application fee to:

NYS Department of Environmental Conservation
Attn: Colleen Kayser, Guide License Unit
625 Broadway, 3rd Floor
Albany, NY 12233-2560

PLEASE SEND ONLY THE \$25.00 APPLICATION FEE ALONG WITH YOUR APPLICATION.

Applications must be received in this office by close of business on the date noted on the exam location information sheet. There will be no exceptions. The 2019 dates listed are the ONLY dates the examination will be scheduled. There will be no examinations given nor will any licenses be issued in person from the Albany office.

Valid first aid, CPR and water safety certifications are required for all guiding categories. These certifications are NOT required when applying to take the exam, however, proof of current certification must be provided before your guide license will be issued. As indicated on the application form, **on-line certifications are not accepted with the exception the Red Cross or American Heart Association BLENDED courses meaning half on-line and half in classroom.** There is a list of acceptable courses available on the DEC website. If you are having difficulty in locating a Water Safety Course you may contact the Outdoor Guides Association at nysoga.org.

The examination location information sheet indicating your choice of where and when you would like to take the examination(s) must be submitted with your application form.

Once your application is processed, you will be notified as to when and where you've been assigned to take the examination(s). You will be responsible to take and pass the examination(s) for the category(s) in which you have applied.

Upon successful completion of the examination(s), you must provide any outstanding required documentation and the remaining balance of the licensing fee in order for your guide license to be issued to you. Licenses are valid for a period of five years from the date of issue.

A study outline can be found on the DEC website, www.dec.ny.gov. Once in the website, use the search option to locate the Licensed Guide Program page, where you will find a link to suggested exam content. *The Field Book*, a reference book published by the Boy Scouts of America, is also recommended and can be found at any local library or book store.

If you have any questions, please feel free to call Colleen Kayser at (518) 402-8838.

Sincerely,

Eric Lahr, Director
Division of Forest Protection
