Snyder E 1-A (API 31-107-30000-01-00)

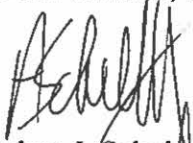

Dear Ms. Collart:

This office represents Tioga Energy Partners, LLC ("TEP"). Attached please find a figure showing the location and size of the access road and well pad for the Snyder E 1 and E 1-A wells. Also attached is an updated Land Use and Cover Types table (Long Form EAF Question E.1(b)). As is reflected in the table, the acreages of the access road and well pad will be reduced after the wells are completed. The acreages in the attached table supersede the acreages reflected in the program specific EAF for well E 1.

Please feel free to contact me should you have any questions or need anything further.

Very truly yours,

COUCH WHITE, LLP
