

**New York State Department of Environmental Conservation
Waste Tire Stockpile Assessment Summary Sheet - Site 6-02**

Hart's Parts Junkyard Town of Ohio

Region 6, Herkimer County

Site Setup:

Rural junk yard bordered by the Oneida Creek on the west and a road on the south. There is vegetation that has over grown large portions of the site and the piles.

Number of tires: 3,500

Condition of tires:

Mixed. There are some good tires mixed in with old, dirty tires. Approximately half appear to have rims. Most are surrounded or covered with vegetation under large trees.

Access to Site:

Most tires are in close proximity to a road through the existing active junkyard.
