

**New York State Department of Environmental Conservation
Waste Tire Stockpile Assessment Summary Sheet - Site 6-05**

**Zahn's Junkyard
City of Watertown**

Region 6, Jefferson County

Site Setup: This site is a junkyard in a combination industrial/residential area. It is located on a small street. Soils are sandy in this area. There are piles of steel and other metals on site. Terrain is relatively flat.

Number of tires: 7,000 estimated

Condition of tires: Mostly whole tires without rims. Some random scrap in piles.

Access to Site: There are accessible roads directly to the site. Site access is through gates and active yard area along road between yard and an old gravel pit.

Concerns: Fires and vectors

**Additional Information:
Consent Orders have been issued and responses requested.**
