Dear Ms. Tracy,

At a regular meeting of the Town Board of the Town of Sandy Creek held on March 9, 2022, it was unanimously decided to authorize the Town Supervisor to officially request an adjudicatory hearing regarding the recent decision by NYS DEC to deny the variance DEC ID 7-3599-00040/00003. We understand that as a result of this appeal, we will present our argument to an impartial 3rd party for DEC approval in a permit for municipal water for those properties in the Coastal Erosion Hazard Area (CEHA) area as delineated in the application for the variance. Please provide me with any appropriate procedures and a projected timeline leading to the impartial 3rd party adjudicated hearing related to uniform procedures regulations 6 NYCRA Part 621 or other applicable regulations.

Thank you,

Timothy Ridgeway, Supervisor
Town of Sandy Creek
