RE: Follow up to the Notice of Incomplete Application sent on March 19, 2021  
Sandy Creek/Richland WSA permit modification and CEHA variance request  
DEC ID 7-3599-00040

Dear Supervisor Ridgeway,

The Notice of Incomplete Application that was sent to you on 03/19/2021 included a request to show each individual service lateral on the plans. The Town of Sandy Creek and Barton and Loguidice can disregard this request because the service laterals are not part of the variance application. The plans should only reflect the work which the town is responsible for under this proposal.

Sincerely,

Kevin M. Balduzzi  
Deputy Regional Permit Administrator  
Division of Environmental Permits
