- Project Location Map Photographs
- Permission to Inspect Property Supplement Project sketch plan and cross-section

DEC's Project Approval Process:

No work is authorized until the Applicant receives the signed **Part 2 - Project Authorization by NYSDEC.**

5. Certification. I have read the applicable General Permit(s) and will construct this project in compliance with the terms and conditions of the permit and the Environmental Conservation Law and applicable regulations. I understand that any false or inaccurate statements made in the application for this permit are punishable as a Class A misdemeanor. As a condition of this permit, I accept full legal responsibility for all damage, direct or indirect, of whatever nature, and by whomever suffered, arising out of the project described herein and agree to indemnify and save harmless the state from suits, actions, damages, and costs of every name and description resulting from this project.

If operator/applicant is not the owner, both must sign the application. If you are submitting this application electronically, you may print your name and check the box that certifies you are the responsible applicant or property owner in lieu of providing an original signature.
