David Pazdur
2819 State Route 67
Johnsonville, NY 12094,

Respondent.

WHEREAS:

Jurisdiction

1. The New York State Department of Environmental Conservation (Department) is the State agency with jurisdiction over the environmental law and policy of the State pursuant to §33-0301 of the Environmental Conservation Law (ECL), among other authorities. The Department is and has been responsible for the regulation of the use, and for the enforcement of the provisions of law governing the use of pesticides in the State pursuant to ECL Article 33 and the rules and regulations promulgated thereunder at Title 6 of the Official Compilation of Codes, Rules and Regulations of the State of New York (6 NYCRR) Part 325.
2. Respondent, David Pazdur, is sole proprietor of a business known as Rudzap Pest Control, (Cert. # C4830404), with principal place of business at 2819 State Route 67 in Johnsonville, New York.
3. Respondent is a person as defined in ECL § 33-0101(33).

Violation

4. On January 26, 2018, Department staff conducted an inspection of Respondent’s pesticide application records.
5. During the inspection, Department staff discovered that on November 30, 2017, Respondent applied Talstar P (EPA Reg. No. 279-3206) at a concentration of 1.2%.

6. The product label for Talstar P specifies that it is to be applied at a concentration between 0.02% and 0.06% of active ingredient.

7. Regulations at 6 NYCRR § 325.2(b) states: “Pesticides are to be used only in accordance with label and labeling directions or as modified or expanded and approved by the department.”

8. Respondent’s application of Talstar P on November 30, 2017 at a concentration far exceeding product label directions was in violation of regulation 6 NYCRR § 325.2(b).

Civil Penalty

9. ECL § 71-2907 (1) provides, *inter alia*, that “any person who violates any provisions of Article 33 of that chapter, or any rule, regulation or order issued thereunder, shall be liable for a civil penalty not to exceed \$5,000 for a first violation, and an additional penalty of up to \$10,000 for each subsequent violation.”

Waiver of Hearing

10. Respondent has affirmatively waived its right to notice and hearing in the manner provided by law and has consented to the issuing and entering of this Order and agrees to be bound by its terms, provisions and conditions contained within the Order.

NOW, having considered this matter and being duly advised, **IT IS ORDERED THAT:**

Payment of the civil penalty is due upon the return of a signed and notarized copy of this Order to the Department. Payment of the civil penalty shall not alter Respondent’s obligation to complete performance of the terms of this Order.

II. **Binding Effect.** The provisions of this Order shall be deemed to bind Respondent, its agents, employees, and all persons, firms, corporations acting under or controlled by it.

A. Any legal or equitable rights or claims, actions, proceedings, suits, causes of action or demands whatsoever that the Department or State may have against Respondent for any other violations of the ECL, rules or regulations promulgated thereunder;

B. Any legal or equitable rights or claims, actions, proceedings, suits, causes of action or demands whatsoever that the State may have against anyone other than Respondent, its agents, its servants, its employees, its successors and its assigns; and

3(a). If the Department disapproves a submittal, it shall notify Respondent in writing and shall specify the reasons for disapproval. Within the time frame set forth in that written notification, Respondent shall make a revised submittal to the Department that addresses and resolves all the stated reasons for disapproval of the initial submittal.

3(b). After receipt of a revised submittal, the Department shall notify Respondent in writing of its approval or disapproval. If the revised submittal is not approvable as submitted, the Department, at its option, may disapprove it or may approve it on condition that Respondent accept such modifications as may be specified by the Department to make it approvable. If Respondent does not accept such modifications, the revised submittal will be disapproved. If the Department disapproves the revised submittal, Respondent shall be in violation of this Order. If the Department approves

the revised submittal, it shall be incorporated into and become an enforceable part of this Order.

4. Respondent shall modify and/or amplify and expand a submittal upon the Department's direction to do so if the Department determines, as a result of reviewing data generated by an activity required under this Order, or as a result of reviewing any other data or facts, that further work is necessary. The Department agrees that any modifications it specifies shall be reasonable and consistent with customary engineering standards.

X. **Access.** To ensure compliance with the ECL and this Order, Respondent shall not deny the Commissioner or his duly authorized representative access at all reasonable times to inspect Respondent's New York facilities and all pesticide records for applications within the State of New York.

XI. **Schedule of Compliance.** Respondent shall comply with the attached Schedule of Compliance.
