Report Odor and Dust Complaints Regarding the Dunn Landfill

Call 518-292-0449 (24-hour hotline)

Residents are able to call the hotline to report significant odors, dust, or other concerns related to the Dunn facility at any time. Use of the hotline will alert DEC, create a record of the complaint and allow DEC staff the opportunity to respond. Complaints received by the operator are required to be addressed by the facility personnel in a timely manner. Calling in complaints to this hotline is vital to the documentation of the complaint by DEC staff and ensures the quickest response time to residential concerns regarding the Dunn facility.

Residents are also able to submit any supplementary information, including photos, videos, or other evidence to further the documentation of complaints. Supplemental complaint information should be submitted to the following DEC staff:

- Brian Maglienti  
  (Brian.Maglienti@dec.ny.gov)
- Jonathan Whitcomb  
  (Jonathan.Whitcomb@dec.ny.gov)
