Order on Consent
File No. R4-2016-1115-160

Respondent

WHEREAS:

1. New York State Department of Environmental Conservation ("Department or DEC") has administrative jurisdiction pursuant to Environmental Conservation Law ("ECL") Title 27 of Article 23 to regulate surface mining and reclamation.
2. Respondent is a person, as that term is defined at ECL 23-2705 (12), and regulations at 6 NYCRR 420.1 (p).
3. Respondent owns/operates a mine located on Route 158 off Stitt Road, Guilderland, New York, (Albany County) ("site").
4. Department staff inspected the mine on March 16, 2016 and November 8, 2016.
5. At the time of the March 16, 2016 inspection, Department staff determined that Respondent had removed vegetation from the area to be mined. Department staff advised Respondent that no mining could take place until he received a mining permit.

Violation

6. On November 8, 2016, Department staff inspected the site and mining was observed to have occurred before a permit was issued.
7. ECL 23-2711(1) provides that "*After September first, nineteen hundred ninety-one, any person who mines or proposes to mine from each mine site more than one thousand tons or seven hundred fifty cubic yards, whichever is less, of minerals from the earth within twelve successive calendar months or who mines or proposes to mine over one hundred cubic yards of minerals from or adjacent to any body of water not subject to the jurisdiction of article fifteen of this chapter or to the public lands law shall not engage in such mining unless a permit for such mining operation has been obtained from the department. A separate permit shall be obtained for each mine site.*"
8. Respondent violated ECL 23-2711(1) by mining without first obtaining a permit.

9. Respondent has affirmatively waived his right to notice and hearing in the Manner provided by law, has consented to the issuance and entry of this Order, and agrees to be bound by the terms, provisions and conditions contained herein.

NOW, being duly advised and having considered this matter, **IT IS HEREBY ORDERED THAT:**

I. Penalty

With respect to the aforesaid alleged violation, a civil penalty in the amount of FOUR THOUSAND DOLLARS (\$4,000) is hereby assessed against the Respondent of which TWO THOUSAND DOLLARS (\$2,000) shall be payable to the New York State Department of Environmental Conservation by money order, or certified check at the time this Order is signed, notarized and returned to the Department.

The balance TWO THOUSAND DOLLARS (\$2,000) shall be suspended so long as Respondent shall comply with the Schedule of Compliance.

In the event that Respondent fails to comply with the requirements of this Order, and fugitive dust continues to leave the site, regardless of the time of year, the entire suspended portion of the penalty shall become due and payable upon written notice to Respondent without prejudicing the Department from seeking further appropriate penalties for violations of this Order by the Respondent.

II. Force Majeure

If Respondent cannot comply with a deadline or requirement of this Order, because of an act of God, war, strike, riot, catastrophe or other condition which is not caused by the negligence or misconduct of Respondent and which could not have been avoided by Respondent through the exercise of due care, Respondent shall make his best effort to comply nonetheless and shall, within seventy-two hours (unless notice is required sooner by State or Federal law), notify the Department by telephone and in writing, pursuant to the communications provision of this Order, after it obtains knowledge of any such condition or event and request an appropriate extension or modification of this Order.

III. Reports

All reports required herein shall be made to the Region 4 office of DEC, 1130 North Westcott Road, Schenectady, NY 12306, Attn: Natural Resources Supervisor.

IV. Access

Respondent shall allow duly authorized agents and employees of DEC access to any facility, site, or records owned, operated, controlled, or maintained by Respondent, without prior notice, at such times as may be desirable or necessary, and/or perform such tests as the Department may deem appropriate, to copy such records, or to perform any other lawful duty or responsibility.

V. Indemnification

Respondent shall indemnify and hold harmless the Department, the State of New York, and their representatives and employees, for all claims, suits, actions, damages and costs of every name and description arising out of or resulting from the fulfillment or attempted fulfillment of this Order by Respondent, his employees, servants, agents, successors or assigns.

VI. Successors and Assigns

The provisions of this Order shall be deemed to bind Respondent, his agents employees, successors, and assigns, and all persons, firms, and corporations acting under or for Respondent.

VII. Effective Date

The effective date of this Order shall be the date that the Commissioner or his designee signs it. The Department will provide Respondent (or the Respondent's Counsel) with a fully executed copy of this Order as soon as practicable after the Commissioner or her designee signs it.

VIII. Default

The failure of Respondent to comply fully and in timely fashion with any provision of this Order shall constitute a default and a failure to perform an obligation under this Order and under the ECL, and shall constitute sufficient grounds for revocation of any permit, license, certification or approval issued to Respondent by DEC.

IX. Entire Agreement; Modification

This Order constitutes the entire agreement of the parties, and no provision of the agreement shall be deemed waived or otherwise modified except as is specifically set forth in a writing executed by the Commissioner or Regional Director of DEC indicating an intent to modify this Order.

X. Other Rights

Nothing contained in this Order shall be construed as barring, diminishing, adjudicating or in any way affecting (1) any legal, administrative or equitable rights or claims, actions, suits, causes of action, or demands whatsoever that the Department may have against anyone other than Respondent; (2) any right of the Department to enforce administratively or at law or in equity, the terms, provisions and conditions of this Order; (3) any right of the Department to bring any future action, either administrative or judicial, for any other violations of the ECL, the rules and regulations promulgated thereunder, or conditions contained in orders or permits, if any, issued by the Department to Respondent; (4) the summary abatement powers of the Department, either at common law or as granted pursuant to statute or regulation.
