STATE OF NEW YORK: DEPARTMENT OF ENVIRONMENTAL CONSERVATION

In the Matter of Violations of the
Environmental Conservation Law (“ECL”)
Article 33, and Title 6 of the Official
Compilation of Codes, Rules and
Regulations of the State of
New York (“6 NYCRR”),

ORDER ON CONSENT
R4-2018-0920-177

-by-

Metropolitan Compounds, Inc.
3345 N. University Drive
Hollywood, FL 33024,

Respondent.

WHEREAS:

Jurisdiction

1. The New York State Department of Environmental Conservation (Department) is the New York State (“State”) agency with jurisdiction over the environmental law and policy of the State pursuant to §33-0301 of the Environmental Conservation Law (“ECL”), among other authorities. The Department is and has been responsible for the regulation of the use, and for the enforcement of the provisions of law governing the use of pesticides in the State pursuant to ECL Article 33 and the rules and regulations promulgated thereunder at Title 6 of the Official Compilation of Codes, Rules and Regulations of the State of New York (6 NYCRR) Part 325.
2. Respondent, Metropolitan Compounds, Inc., is a foreign business corporation with a principal place of business located in the State of Florida.
3. Respondent is a person as defined in ECL § 33-0101(33).

VIOLATION

4. On June 13, 2018, Department staff responding to a complaint from the Highway Superintendent of the Town of Guilderland, New York (“Town”), conducted an inspection at the Town’s Highway Department, to gather information regarding the purchase by the Town of a thirty (30) gallon drum of herbicide from Respondent.
5. During the June 13, 2018 inspection, Department staff observed that the pesticide drum was affixed with a damaged label which identified the drum’s contents under the

trade name “Sure Stunt.”

6. Department staff subsequently determined that no pesticide with the trade name “Sure Stunt” exists in either the New York State Pesticide Administration Database (“NYSPAD”) or the United States Environmental Protection Agency’s (“EPA”) product registration database.

7. Pursuant to a request from Department staff, on August 20, 2018, a representative of Respondent forwarded Department staff a product label and Safety Data Sheet (“SDS”) purporting to pertain to Sure Stunt. The product label contained no EPA registration number; the SDS incorrectly listed an EPA registration number belonging to an unrelated product.

8. ECL § 33-1301(1) states that it shall be unlawful “[f]or any person to distribute, sell, offer for sale or use within this state or deliver for transportation or transport in intrastate commerce or between points within this state through any point outside this state any of the following:

a. Any pesticide which has not been registered pursuant to the provisions of this article or any pesticide if any of the claims made for it or any of the directions for its use differ in substance from the representations made in connection with its registration, or if the composition of a pesticide differs from its composition as represented in connection with its registration; provided that in the discretion of the commissioner a change in the labeling or formula of a pesticide may be made within a registration period without requiring reregistration of the product.”

9. Respondent’s offer for the sale in New York of an unregistered pesticide, and the sale of said pesticide to the Town, is a violation of ECL § 33-1301(1)(a).

Civil Penalty

13. ECL § 71-2907 (1) provides, *inter alia*, that “any person who violates any provisions of article 33 of this chapter or any rule, regulation or order issued thereunder . . . shall be liable . . . for a civil penalty not to exceed five thousand dollars for a first violation, and not to exceed ten thousand dollars for a subsequent offense.”

Waiver of Hearing

14. Respondent has affirmatively waived its right to notice and hearing in the manner provided by law and has consented to the issuing and entering of this Order and agrees to be bound by its terms, provisions and conditions contained within the Order.

NOW, having considered this matter and being duly advised, **IT IS ORDERED THAT:**

I. **Civil Penalty.** Respondent is assessed a civil penalty in the amount ONE THOUSAND DOLLARS (\$1,000). Payment of the civil penalty is due upon the return of a signed and notarized copy of this Order to the Department. The civil penalty shall be paid by money order, company or bank check made payable to the NYS Department of Environmental Conservation. Payment of the civil penalty shall not alter Respondent's obligation to complete performance of the terms of this Order.

II. **Binding Effect.** The provisions of this Order shall be deemed to bind Respondent, its agents, employees, and all persons, firms, corporations acting under or controlled by it.

III. **Communications.** Except as otherwise specified in this Order, any reports, submissions, and notices herein required shall be made to:

For the Department:

NYS Department of Environmental Conservation
Region 4
Bureau of Pesticides
Attn: Michael Leidy
1130 North Westcott Road
Schenectady, NY 12306

For the Respondent:

Metropolitan Compounds, Inc.
P.O. Box 245760
Pembroke Pines, FL 33024
ATTN: Sheila Green

IV. **Summary Abatement.** The terms of this Order shall not be construed to prohibit the Commissioner or his duly authorized representative from exercising any summary abatement powers, either at common law or as granted pursuant to statute or regulation.

V. **Indemnification.** Respondent shall indemnify and hold harmless the Department, the State of New York, and their representatives and employees for all claims, suits, actions, damages and costs of every name and description arising out of or resulting from the fulfillment or attempted fulfillment of the provisions hereof by Respondent, its directors, officers, employees, servants, agents, successors or assigns, except to the extent that any such claims arise or result from the acts or omissions by the Department, the State of New York, or its employees.

VI. **Modification.** No change in this Order shall be made or become effective except as set forth by a written order of the Commissioner or the Commissioner's designee, such change to be made only upon written agreement of the parties.

VII. **Effective Date.** This Order is deemed effective on the date signed by the Department. The Department will provide Respondent a fully executed copy of this Order as soon as practicable following the effective date of this Order.

VIII. **Scope.** Except as specifically provided in this Order, nothing contained in this Order shall be construed as barring, diminishing, adjudicating or in any way affecting:

A. Any legal or equitable rights or claims, actions, proceedings, suits, causes of action or demands whatsoever that the Department or State may have against Respondent for any other violations of the ECL, rules or regulations promulgated thereunder;

B. Any legal or equitable rights or claims, actions, proceedings, suits, causes of action or demands whatsoever that the State may have against anyone other than Respondent, its agents, its servants, its employees, its successors and its assigns; and

C. Respondent's right to assert all available defenses to any claims, actions, proceedings, suits, causes of actions or demands made or commenced by the State or the Department provided, however, that Respondent waives all legal or equitable rights claims, actions, proceedings, appeals, suits, causes of action, defenses or demands whatsoever that it may have to a judicial review of the validity and binding effect of this Order and whether or not this Order has been entered into voluntarily by Respondent.

IX. **Review of Submitted Documentation.**

1. All documents which Respondent must submit pursuant to this Order are subject to Department approval.

2. The Department shall review each submittal from Respondent pursuant to this Order to determine whether it was prepared, and whether the work performed to generate the data in the submittal was prepared, in accordance with this Order and with generally accepted technical and scientific principles. The Department shall notify Respondent in writing of its approval or disapproval of the submittal. All Department-approved submittals shall be incorporated into and become an enforceable part of this Order; and Respondent shall implement them in accordance with their respective schedules and terms, as approved.

3(a). If the Department disapproves a submittal, it shall notify Respondent in writing and shall specify the reasons for disapproval. Within the time frame set forth in that written notification, Respondent shall make a revised submittal to the Department that addresses and resolves all the stated reasons for disapproval of the initial submittal.

3(b). After receipt of a revised submittal, the Department shall notify Respondent in writing of its approval or disapproval. If the revised submittal is not approvable as submitted, the Department, at its option, may disapprove it or may approve it on condition that Respondent accept such modifications as may be specified by the Department to make it approvable. If Respondent does not accept such modifications, the revised submittal will be disapproved. If the Department disapproves the revised submittal, Respondent shall be in violation of this Order. If the Department approves the revised submittal, it shall be incorporated into and become an enforceable part of this Order.

4. Respondent shall modify and/or amplify and expand a submittal upon the Department's direction to do so if the Department determines, as a result of reviewing data generated by an activity required under this Order, or as a result of reviewing any other data or facts, that further work is necessary. The Department agrees that any modifications it specifies shall be reasonable and consistent with customary engineering standards.

X. **Access.** To ensure compliance with the ECL and this Order, Respondent shall not deny the Commissioner or his duly authorized representative access at all reasonable times to inspect Respondent's New York facilities and all pesticide records for applications within the State of New York.

XI. **Schedule of Compliance.** Respondent shall comply with the attached Schedule of Compliance.
