General Overview of IRM Areas

IRM #2: Planned Area for 2018

Planned scope and depth of excavation for IRM #2 has been determined by comprehensive sampling activities, and will be confirmed by additional confirmatory sampling as work proceeds.

IRM work will be sequenced and coordinated to ensure ECSD’s planned capital improvement work can proceed and facilitate school opening after summer break.

IRM #3: Scoping and planning of future actions to commence with preparation of Work Plan – In Process

IRM #1: Activities in 2017; Tennis Court Area, North Parking Lot; West School Entrance Area; SW Corner of FB Field Area

IRM #1 Excavation of Tennis Court Area

IRM #1 Excavation of Front EHS Entrance Area

IRM #1 Excavation of Southwest Football Field Area
