

PBS Registration Authorization Form Lessee Oil Well Operators

This form is to be used by lessee oil well operators to certify that they have the authority to submit a Petroleum Bulk Storage (PBS) facility registration form when they do not own the surface property. This form shall be completed and submitted by the oil well lessee/operator together with the PBS facility registration form for PBS facilities that they operate and need to be registered.

PBS Facility Address: _____

If multiple facilities need to be registered, attach a list that provides the PBS facility address for each facility.

Authorized Representative

Name (printed): _____

Title: _____

Company: _____

Mailing Address: _____

I certify that I am the oil and gas lessee of the facility(ies) listed above (and attached if provided) and that the lease authorizes me to place PBS tanks for storing crude oil on the surface at the lease(s) and provides me with the authority to complete and sign the Petroleum Bulk Storage Application form(s) for this(ese) facility(ies).
