Possible Project Performance Measure Points for Rivers and Streams

Legend:
- Public Water Supply Intake
- 1000 ft buffer from intake
- 500 ft buffer from shoreline
- 1/2 mile buffer from shoreline
- 1 Mile upstream from intake
Possible Project Performance Measure Points for Lakes and Reservoirs

1 Mile upstream from intake: 30 Points

Legend:
- Public Water Supply
- Tributary
- Lake
- 1000 ft buffer from intake
- 200 ft buffer from tributary shoreline
- 500 ft buffer from lake shoreline
- 1/2 mile buffer from lake shoreline
