

Furbearer Possession Tag

Current version: Fall 2022

First Name, Last Name, Date of Birth, ID #

- 1. Complete this tag immediately upon arrival at your mode of travel, camp or home, whichever occurs first.
2. This tag is not an official pelt seal, but must accompany your pelt or unskinned animal at all times.
3. This tag allows you (the taker) to legally possess the pelt or unskinned animal until sealing is required.
4. The pelt or unskinned animal must be sealed before: (a) it may be exported from New York State; (b) sold or transferred to another's possession; (c) mounted or processed; or (d) the end of the tenth day after the close of the season in the Wildlife Management Unit (WMU) where it was taken, whichever comes first.
5. Be sure your 12-digit trapping or hunting ID # is recorded above.
6. For fields below: SEX : M = Male, F = Female, U = Unknown and TAKE: T = Trapped, H = Hunted, R = Road Killed.

Species Taken: Only ONE SPECIES may be used ON THIS TAG

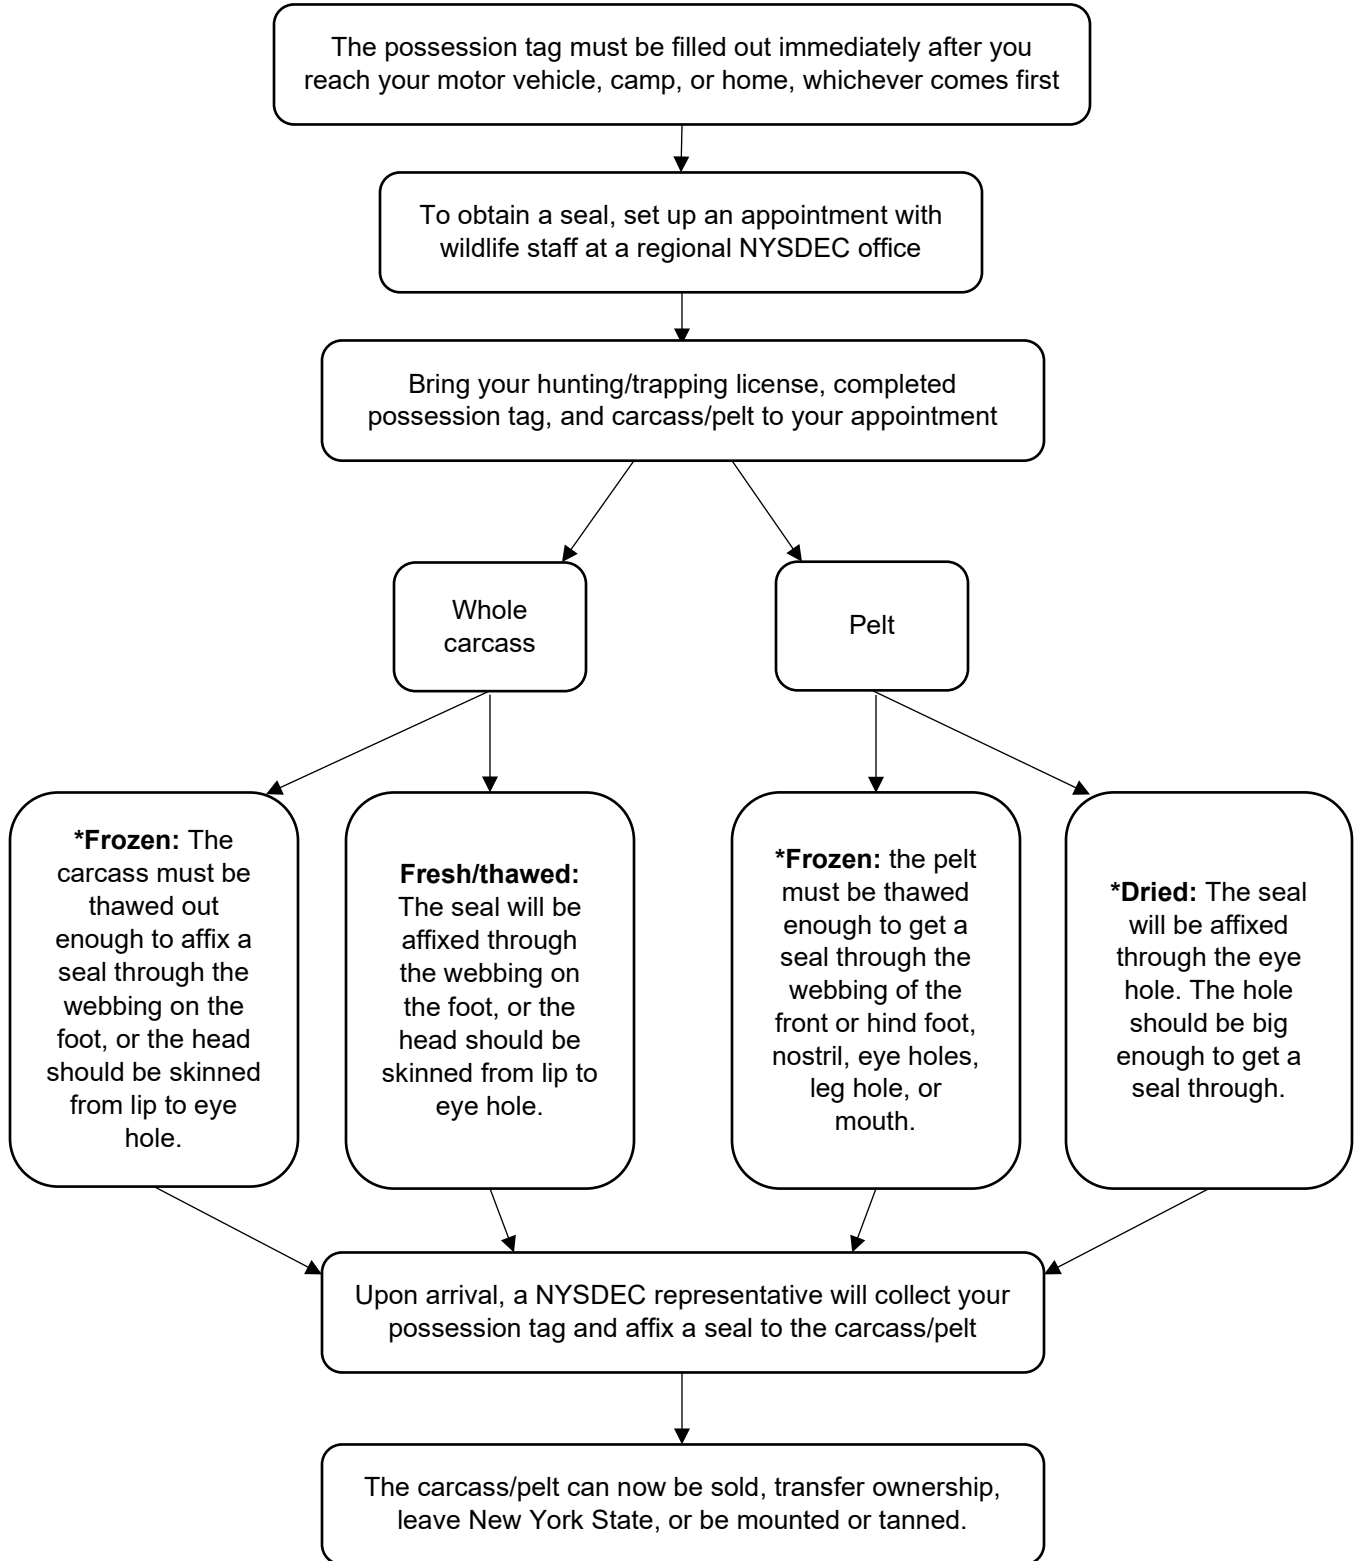

Fisher, Marten (Season limit of 6), Otter, Bobcat (may be hunted)

Table with columns: Date Taken, County, Town, WMU, Sex, Take, Seal Number. Contains multiple rows for data entry.

Region, Date Sealed, Badge/Sealer#, DEC use only

New York State Pelt Sealing Instructions

Species that require a pelt seal in New York State: fisher, marten and otter (trapped); bobcat (hunted or trapped).

* A popsicle stick, pencil, dowel, or similar object should be inserted either from the mouth hole through one of the eye holes or through a front or hind foot prior to freezing or drying.
