

2021-22 Cooperator Grouse & Woodcock Hunting Log

Instructions:

Dear Cooperator:

Thank you for choosing to participate in this annual survey of game bird hunters! Please adhere to the following guidelines:

- Record all of your hunting trips, successful or unsuccessful.
- Only record hunts that take place in New York State.
- Only record your individual totals, not those of your hunting partner(s).
- Record whether or not you hunted on public land (e.g., Wildlife Mgmt. Areas, State Forests, etc.).
- If you hunt both public and private land on the same day within the same WMU, please use two separate lines on the form.
- Round the number of hours you hunted to the nearest whole hour.
- Record the information neatly in the boxes so it is legible.
- Keep the log in your vehicle and complete it after each hunt!
- **DO NOT** count birds that you know are re-flushes or flushed by other hunters in your group.
- Record woodcock flushes even if the woodcock season is closed.
